**NOTE:**

If time permits or due to overwhelming public request we will attempt to add older archived Meeting Minutes from earlier previous Old Bridge MUA meetings prior to the commencement of regular posting on this website.

We are restricted by time limitations, retrieval from storage, and other factors. However, if you are need of meetings records from an earlier time period, please contact us directly and we will make every attempt to fulfill your needs as quickly and accurately as possible.

Sincerely,

Old Bridge Municipal Utilities Authority
