Explain significant increases or decreases, if any. **The proposed 2012/2013 budget has increased by \$1,497,892 which is a direct result increased capital spending of \$922,000 over last year and increased debt service of \$479,321. All other items increased by only \$96,571.**

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements.
