

OLD BRIDGE MUNICIPAL UTILITIES AUTHORITY

RESOLUTION NO. D-44-23

WATER DIVISION

RESOLUTION

WHEREAS, Vista at Old Bridge LP has applied to the Old Bridge Municipal Utilities Authority for Final Approval in connection with its Water Application No. W22-704, known as The Vista at Old Bridge located on the west side of Marlboro Road, adjacent to the Authority's Marlboro Road Storage Tank site; and

WHEREAS, the Applicant proposes the construction of approximately 1,200 LF of eight-inch (8") on-site water main connecting into the existing sixteen-inch (16") water main on the unnamed gravel access road and into the existing twelve-inch (12") water main on Marlboro Road to service three (3) 3-story apartment buildings consisting of twenty-four (24) apartments each and a 4,663 SF clubhouse that includes one (1) apartment, for a total of seventy-three (73) residential units. There is no pool facility in the Clubhouse; and

WHEREAS, the Staff Engineer has reviewed the project and reports submitted, and has recommended Final Approval in accordance with his report dated August 9, 2023; and

NOW, THEREFORE, BE IT RESOLVED by the Commissioners of the Old Bridge Municipal Utilities Authority ("OBMUA") that the Application for Final Approval in connection with Water Application No. W22-704 known as The Vista at Old Bridge be and the same is hereby granted subject to the following conditions:

- (1) The Applicant shall pay all applicable fees.
- (2) The Applicant shall comply with and address any and all comments in the Engineer's Report dated August 9, 2023.
- (3) All proposed off-site and on-site water mains shall remain privately owned and maintained by the Applicant.
- (4) Fire service line size and number of sprinkler heads for each building shall be provided to this Authority as soon as available.
- (5) The Applicant shall coordinate the utility plans approved under this application with the architectural design of this commercial building as it relates to the water service.

(6) The Applicant is to schedule a pre-construction meeting at least two (2) weeks prior to commencing any utility construction.

(7) The Applicant is to execute a Developer's Agreement for water utility construction which incorporates all requirements of both the Authority and the Township Approvals (including a water maintenance plan) prior to the pre-construction meeting.

(8) Wet cut fee, Performance Guarantee, Certificate of Insurance and proof of all required permits shall be provided prior to the pre-construction meeting.

(9) Lawn irrigation is not included in the approval. If a lawn irrigation system using municipal water is proposed in the future, the plan must be submitted to the Authority for approval.

(10) The Applicant shall construct the water improvements in accordance with the Approved Drawings, and permits issued by any Agency having jurisdiction.

(11) The Applicant is to fully comply with the Rules and Regulations of the Authority and any Agency having jurisdiction.

(12) This Final Water Approval shall expire one (1) year from the date of the resolution, or as otherwise extended by law, if no construction has taken place within that period.

BE IT FURTHER RESOLVED that this resolution ratifies action taken by the Authority on August 16, 2023;

BE IT FURTHER RESOLVED that certified true copies of this resolution be forwarded to Guy Donatelli, Executive Director; Michael Roy, P.E., Staff Engineer; Michelle Smith, Comptroller and The Applicant.

RESOLUTION NO. M-61-23

WATER DIVISION

RESOLUTION

WHEREAS, the Old Bridge Municipal Utilities Authority is in need of services in connection with the Laurence Harbor Water System Improvements and Water Services Replacement (formerly the Laurence Harbor Water System Improvements – Phase I Project); and

WHEREAS, by previous resolution, CME Associates was authorized to proceed with bid phase and engineering services during construction for the former project. All bid phase authorization and most of the engineering services during construction authorization was depleted when this project was previously awarded to Lucas Brothers; and

WHEREAS, by previous resolution CME Associates was authorized to design the new scope of work, obtain new permits and modify the application with the NJ I-Bank in response to the NJDEP contract termination letter with Lucas Brothers. This termination concurrence letter required that any changes in the previously approved Contract Documents be reviewed and approved by their office for a new Authorization to Advertise (ATA), which has been submitted to the NJDEP, and the issuance of the ATA is expected to be received very shortly; and

WHEREAS, the scope of the project now involves the replacement of approximately 285 water services within the roadway pavement, and connection to the existing six-inch (6”) and eight-inch (8”) diameter water mains located in various streets within the Laurence Harbor Section of Old Bridge. It also includes installation of new eight-inch (8”) water main on streets that have no large water mains; and

WHEREAS, CME Associates has submitted a proposal dated August 8, 2023 for Engineering Services for the Bid and Construction Phases of the redesigned project with a new scope of work as follows:

1. Bid Phase	\$11,084.00
2. Engineering Services During Construction	<u>\$60,628.00</u>
Total	\$71,712.00

WHEREAS, the Staff Engineer has reviewed the proposal dated August 8, 2023, from CME Associates for Bid Phase and Engineering Services During Construction and recommends that CME Associates be authorized to proceed with the Bid and Construction phases of the project and that the project be advertised for public bid once the issuance of the ATA is received from the NJDEP.; and

NOW, THEREFORE, BE IT RESOLVED by the Commissioners of the Old Bridge Municipal Utilities Authority that CME Associates be and the same is hereby authorized to proceed with the Engineering services related to this project in accordance with their August 8, 2023 proposal and their Consulting Engineer Contract dated February 1, 2023 CME Associates are hereby authorized to proceed with the Bid and Construction Phases of the referenced project in accordance with the August 8, 2023 proposal and their February 1, 2023 Consulting Engineer Contract.; and

BE IT FURTHER RESOLVED the Executive Director of the OBMUA is hereby authorized to advertise this project for public bid upon receipt of the Authorization to Advertise from the NJDEP;
